BORAH FLAYS NEW  
COLOMBIA TREATY  
AS DISHONOR STAIN

Idaho Senator Opposing  
Ratification Brands it  
Insult to Roosevelt.

Senator Borah, speaking on the Colombian treaty yesterday, said its ratification would be a confession of wrongdoing, of which this country is not guilty.

"The ratification of this treaty will be construed by the world as putting the stain of dishonor on the government of the United States," said Borah. "and the impression of crime on the two great Americans immediately concerned in the Panama transaction. Theodore Roosevelt was not a common adventurer; John Hay was not a liar."

Borah said the payment of \$25,000,000 to Colombia in itself would constitute a "contrite apology," in reply to arguments that removal of the apology clause in the original treaty made the present treaty more acceptable.

"Republican leaders for seven-teen years have denounced the treaty as blackmail," Borah declared.

**Knox Defends Treaty.**

Senator Knox, who was a Cabinet member while negotiations with Colombia were being carried on under Taft and Roosevelt, said the Senate is morally bound to compensa-te Colombia, "not for what she lost, but for what she gained." Knox declared there is no legal claim against this government, and upheld its course of action.

Senator Pomeroy said the United States was partly wrong, and advocat-ing admitting it and making pay-ment to Colombia.

Senator Kellogg, of Minnesota, quoted from the correspondence of Theodore Roosevelt in speaking in opposition to the ratification of the Colombian treaty.

Letters of Roosevelt, written from Sagamore Hill in 1917, argued that if a large sum were paid to Colom-bia a precedent would be establish-ed. Roosevelt said by the same process the Wilson administration would be obligated to make pay-ments to Mexico for its invasions there, and to San Domingo, Haiti, Costa Rica, Nicaragua and Guate-mala.

**Roosevelt Is Quoted.**

"The crux of the matter is whether we ought or ought not to have recognized Panama," Roosevelt wrote, "and if we did badly we are in honor bound now to restore both Panama and the Canal Zone to the bandits from whom they were severed. Mere payment of black-mail is not enough.

"The course no smallest particle of evidence to show that we en-gineered the revolution can be pro-duced; because our every action was open and has been set forth scores of times in minute detail. No revolu-tion was ever more justified than that of Panama against Colombia, and if I had not acted precisely as I did there would now be no canal."

Kellogg declared the pact is an insult to the memory of Roosevelt and should be argued against. He said that the payment of \$25,000,000 to Colombia, as the treaty proposes, would be an admission that the United States has violated interna-tional law.

SAILOR-POET SPURNS  
FIGHT FOR MILLIONS

CHICAGO, April 14.—Lew B. Wal-lace, former sailor whose poems won the love of Mrs. W. W. Adams, Phila-delphia society matron, and whose romance was wrecked when his wealthy wife committed suicide at La Jolla, Cal., will not contest for her millions he stated here.

The marriage of Wallace and Mrs. Adams was the sensation of the year in Philadelphia. Wallace, 27, was a sailor on a transport in war-time, and Mrs. Adams, 42, a canteen worker. Poems he wrote of his ex-periences at sea won her admiration.

Opposition of relatives to her marriage was said to have been the cause of the former society leader's suicide.

"My wife's relatives need not ex-pect any contest from me in this matter," said Wallace. "They may have it and welcome."

Witness Admits Murder  
In Testifying for Defense

LAWTON, Okla., April 14.—"I shot Russell Sprague in the head and rolled him into the river," said William Tait, as he testified today in behalf of Cleo Goben, on trial for the murder.

Tait furnished the most dramatic moment in the trial, when, without the least emotion, he told how he killed Russell Sprague in cold blood and rolled his body into the bed of Armstrong Creek.

Check Charge, Then Hospital.

NEW YORK, April 14.—Mrs Harriet Pendleton Hunt arrested Sun-day on suspicion of having given a worthless check for \$10,000 worth of Liberty bonds, was committed to Bellevue Hospital today for observa-tion.

Her father, Elliott Pendleton, a Cincinnati attorney, made applica-tion for her commitment.

Comes 4,000 Miles  
And Finds Wife  
Wed to Another

BEECH BOTTOM, W. Va., April 14.—Andy Wrobel, a Polish mer-chant, came 4,000 miles across part of Europe and the Atlantic Ocean to see his wife only to find her married again.

Upon his arrival here, he was un-able to find his wife, no one know-ing her by that name. He later saw her standing in a door holding a baby in her arms. Neighbors were startled to see him run up and embrace Mrs. Rosie Necktye, who is now charged with bigamy.

Mrs. Necktye married husband No. 2 under the name of Susan Lolowich, about two years ago. She is the mother of five children, twins having been born last Christ-mas.
